## City Council Meeting – May 15, 2023

**Workshop:** Kirk Fatland presented information on the roles of staff, planning commission and city council in the land use process. He explained how the different applications are processed and answered questions from the council.

**CALL TO ORDER, PLEDGE OF ALLEGIANCE & ROLL CALL:** Mayor Bart Carpenter, Luke Middleton, Tim Woods, David Beck, Josh Thody, and Scott Ough were present, Chuck Rushing was absent. The agenda and consent agenda were both approved. There were no **INFORMATIONAL ITEMS** or **Presentations**. **Citizen's Input:** Danny Zook indicated he was the seller's agent when the city acquired the property to extend the city park and the donated right of way for ingress and egress was planned to include two 20' travel lanes and 5' for a sidewalk. Mr. Zook was reminded the council was not receiving testimony.

**OLD BUSINESS:** The city attorney presented a summary of the **appeal by GMB Investors regarding Site Plan Approval for Park Expansion Project**. Kirk Fatland explained the basis of the appeal and the options for the council to consider. The council voted to require the developer to adhere to the local street travel lane requirements of 19' wide travel lanes and approve a 5' sidewalk on the east side of the right of way only. No landscaping can occur within the right of way. Peggy Beck, Gabrielle Beebe and Wayne Symons interviewed for the **Planning Commission Appointment**. Wayne Symons was appointed. The council awarded the **Audit Services** to Hanford & Associates. **Resolution 23-06 Accepting Jurisdiction over Certain County Roads** was approved. The first reading of **Ordinance 23-04 Regulating Camping on Public Property and Prohibiting Camping in Certain Areas and declaring an emergency** was approved. **Ordinance 23-05 Adopting Changes to Culver's Municipal Code Chapter 2.12-Contract Review Board** was unanimously approved and became effective immediately. **REPORTS:** Patti Carpenter reported the Chamber of Commerce awards banquet will be held in Oct at the Air Museum; the chamber prepared a letter of support for the grant application; some county play areas were selected for upgrades and she explained the charging station at the chamber. Jack Ickler said the area is more upbeat about the water situation and NUID will be able to buy water from the Prineville Reservoir. Brent Schulke's written report was reviewed. Kim Symons was unable to report as she was called into the field to address storm issues, it was reported she has been working on the splash pad. Donna McCormack asked the council if they would like to have a draft ordinance prepared to regulate the use of containers in the city and was advised they would like to review one. She also asked about the insurance requirements to reserve the park pavilion and Woods will look into the issue. **COUNCIL REPORTS:** Thody reported the RBI does not have the staff for the beer garden at the Crawdad Festival this year. Ough, Middleton, Beck, and Woods had no report. Carpenter reported the park committee is working on the Crawdad Festival; the committee approved the proceeds from the raffle to go towards the skate park; the pop cans will be collected for the Sr. Party; the Employee Handbook does not identify June 19<sup>th</sup> as a holiday and the council indicated they would like to review the employee handbook but the city will not recognize the holiday in the meantime. The meeting was adjourned with the next meeting scheduled for June 26<sup>th</sup>.

*(The complete minutes of the meeting are available by requesting them from Culver City Hall.)*
