Culver City Council

**Re: Resolution 24-01**  
**A Resolution Approving a Grant Agreement with the Oregon Department of**  
**Transportation for the Small City Allotment Program**

Dear Council:

The City was selected by the Small City Allotment Advisory Committee to be the recipient of \$245,000.00 for projects at the following streets: (1) Metolius Street between Meadowview and Center Ridge Drive; Geneva Street between Meadowview to E. Ridgeview Drive; and (3) Opal Springs Street between Meadowview Drive and E. Ridgeview Drive. These streets will need area of base repairs, grinding, asphalt overlay and shoulder gravel.

The Oregon Small City Allotment ("SCA") program is an annual allocation of funds for local transportation projects. Incorporated cities with populations of 5,000 or less are eligible to apply. SCA funds may only be used upon streets that are "inadequate for the capacity they serve or are in a condition detrimental to safety (ORS 366.805).

Recommended Motion: I move for the approval of Resolution 24-01, a Resolution Approving a Grant Agreement with Oregon Department of Transportation for the Small City Allotment Program.

Very Truly Yours,

Jered Reid  
City Attorney
