Culver City Hall**

Minutes

CALL MEETING TO ORDER. The meeting was called to order by Chair Joanne Heare.

ROLL CALL: PC members Joanne Heare, Linda Victorine and Wayne Symons were present.

APPROVE MINUTES OF PRIOR MEETING: Linda Victorine moved to approve the minutes of the Oct. 18, 2023 meeting. The motion was seconded by Wayne Symons and passed unanimously.

REVIEW REVISED SITE PLAN for the Culver Park Expansion Project: Donna McCormack explained the proposed drawing is a revision to the site plan that was approved in March 2023. The drawing shows changes that should comply with all the conditions of approval and honor the requirements of the easement for the road on the west side of the property. There were no questions and Linda Victorine moved to approve the revised site plan. The motion was seconded by Wayne Symons and passed unanimously.

Brett Urbach asked if solar lighting had been considered and Donna explained the idea has been discussed but currently the energy savings did not justify the additional expense. LED lighting will be used though. He also asked about having angle parking on the east side of the road instead and was advised that change would be easy to make as the project develops.

ADJOURNMENT. There being no further business, the meeting was adjourned at 5:15 p.m.

Planning Commission Chair
