6.04.040 Animal waste prohibited.

It is unlawful for an owner or keeper to allow a dog or an animal to deposit solid waste matter on any property other than that of the person owning or keeping said animal, dog or reptile. It shall be a defense to this action if the owner promptly removes the solid waste deposited by said animal, dog or reptile and properly disposes of the waste.

6.04.080 Impound.

(1) An animal, dog or reptile found at large or otherwise in violation of this chapter may be seized and impounded. If the nuisance abatement officer is unable to apprehend such animal, dog or reptile without risking injury to the officer or other people, the officer may kill the animal, dog or reptile.

(2) An animal, dog or reptile impounded pursuant to subsection (1) of this section shall be held at a licensed impound facility in Jefferson County.

(3) An animal, dog or reptile that has been impounded for a violation of CMC 6.04.060(2), (3), or (7) or 6.04.070 may be held at a licensed impound facility in Jefferson County until any citations are issued to the animal's, dog's or reptile's owner or keeper.

(4) An animal, dog or reptile that has been impounded for a violation of this chapter or any other law, other than CMC 6.04.060(2), (3), may be humanely destroyed or handled according to applicable law and licensed impound facility policies, rules and regulations.

(5) If the owner or keeper of an impounded animal, dog or reptile fails to appear in court to answer the charges filed against the owner or keeper, which resulted in the animal's, dog's or reptile's impoundment, or if the owner later fails to appear as required by the court, the court may issue an order terminating the rights of the owner or keeper to the animal, dog or reptile. The court may also order that the animal, dog or reptile be humanely destroyed. Prior to issuing a forfeiture order, the court shall mail a notice to the owner advising the owner that their rights to the impounded animal, dog or reptile will be forfeited unless they appear in court at the next

scheduled court date. The notice to appear shall be mailed to the animal, dog or reptile owner or keeper at the address shown on the citation or at such address given to the court by the owner or keeper.

(6) Any person whose property has been trespassed upon by any animal, dog or reptile in violation of this chapter may immediately apprehend that animal, dog or reptile upon his premises and hold the animal, dog or reptile until delivery to an animal, dog or reptile control officer or the police department. Any person who so impounds an animal, dog or reptile must immediately notify the animal, dog or reptile control officer or police department of such impoundment.

6.04.090 Seizing certain animals, dogs or reptiles.

Any animal, dog or reptile found biting, attacking or injuring or which has injured a person may be summarily seized by any person and promptly delivered to a member of the police department. Further, any member of the police department may apply to the court for a warrant authorizing the search for and seizure of any animal, dog or reptile that is found in violation of CMC 6.04.060(2), (3) or (7) or 6.04.070. Nothing in this section is intended to limit the search and seizure authority of a police officer.

6.04.100 Rabid dogs.

(1) To safeguard the public from dangers of rabies, the city shall, when necessary, issue a proclamation ordering every person owning or keeping a dog to confine it securely on the person's premises unless the dog has a muzzle of sufficient strength to prevent its biting a person. An unmuzzled dog running at large during the time of proclamation shall be seized and impounded, unless noticeably infected with rabies. All dogs noticeably infected with rabies may be immediately euthanized by the Jefferson County animal control without notice to the owner or keeper.

(2) If a dog is believed to have rabies or has been bitten by a dog suspected of having rabies, the dog shall be confined by a leash or chain on the owner's premises and shall be placed under the observation of a veterinarian at the expense of the owner for a period of 10 days. The owner shall notify a licensed veterinarian of the fact that his dog has been exposed to rabies, and the licensed veterinarian may have the dog removed from the owner's premises to a veterinary hospital and there placed under observation for a period of 10 days at the expense of the owner.

(3) No person, knowing or suspecting a dog has rabies, shall allow the dog to be taken off the person's premises or beyond the city limits without written permission of a licensed veterinarian. An owner, or other person, on ascertaining a dog is rabid, shall immediately notify the licensed veterinarian or Jefferson County animal control, which shall remove the dog to the pound or summarily destroy it.

(4) If a dog bites a human being, the owner of the dog shall display proof of vaccination. The Jefferson County animal control shall impound the dog for 10 days at the owner's expense or

may require the owner to quarantine the dog for 10 days. Failure by the owner to pay the impound fees required by this section is a violation of this code.

6.04.105 Feeding of deer prohibited.

(1) A person, who knowingly places, deposits, distributes, stores or scatters food, garbage or any other attractant so as to constitute a lure, attraction or enticement for deer, may be issued a written notification by an agent of the city of Culver requiring the person to remove the food, garbage or other attractant within two days of notification.

(2) A person who receives a written notification under subsection (1) of this section shall remove the food, garbage or other attractant as directed.

6.04.110 Penalties.

(1) Any person, partnership, association or corporation violating any provision of this chapter shall may be punished by a fine of not more than \$1,000. A dog that has repeatedly been a nuisance may be ordered destroyed or disposed of in a manner that the court considers necessary for the health and safety of the public.

(2) Where a violation of this chapter is found, the judge may order the owner or keeper of an animal, dog or reptile to pay restitution to compensate any person for damages caused by the animal, dog or reptile. Restitution shall be limited to those damages that could be recovered as special damages in a civil action based upon the animal's, dog's or reptile's conduct. The payment of restitution under this section is not intended to limit or impair the ability of an injured person to sue and recover damages from the owner or keeper in a civil action.

(3) Where a violation of this chapter is found, the judge may order the owner or keeper of an animal, dog or reptile to reimburse the city of Culver for any and all impound costs incurred by the city.

(4) Where a violation of CMC 6.04.060(2) and/or (7) is found, the judge may enter an order requiring that an animal, dog or reptile be humanely destroyed, unless the owner or keeper can establish by a preponderance of the evidence that the animal, dog or reptile was provoked into biting, injuring or attacking.

(5) The judge may enter an order requiring that an animal, dog or reptile be humanely destroyed if the animal, dog or reptile has committed a total of two violations within a five-year period of any of CMC 6.04.060(2), (3), (7) or 6.04.070. If the owner or keeper establishes, by a preponderance of the evidence, that the animal, dog or reptile was provoked into committing one of the two violations, the municipal court judge may suspend said order.

(6) If the judge determines that the violation of CMC 6.04.060(2), (3), (7) or 6.04.070 was caused in any part by the neglect, abuse or tormenting of the animal, dog or reptile by its owner or keeper, the judge may enter an order terminating the owner's or keeper's rights to the animal, dog or reptile and prohibiting the owner or keeper from owning or possessing an animal, dog or

reptile within the city of Culver. Further, the judge may allow such an abused animal, dog or reptile to be placed with a qualifying Humane Society for possible adoption if the court believes that the abuse was the primary cause of the violation of CMC 6.04.060(2), (3), (7) or 6.04.070.

(7) The court may stay the execution of his or her order to humanely destroy an animal, dog or reptile which has been entered pursuant to subsection (4) or (5) of this section, if the animal's, dog's or reptile's owner or keeper can demonstrate by a preponderance of the evidence that the animal, dog or reptile is unlikely to be a repeat offender of this chapter. The stay of execution may last for up to five years upon such conditions as are reasonably related to the violation of this code. Such conditions may include, but are not limited to, the following:

(a) Confinement of the animal, dog or reptile in a securely enclosed and locked pen or structure upon the premises of the owner or keeper or within the residence of the animal's, dog's or reptile's owner or keeper;

(b) Muzzling the animal, dog or reptile in a humane manner;

(c) A requirement that the animal, dog or reptile or owner commit no further violation of animal, dog or reptile related laws;

(d) A requirement that the animal owner post a bond of up to \$5,000 which may be used to pay for future injuries caused to people, animals or property;

(e) A requirement that the animal's, dog's or reptile's owner or keeper pay court ordered fines and restitution resulting from the animal's violation of this code.
